WORK EXPERIENCE

Prospec Appraisal Co., LTD.   Bangkok, Thailand
Project Manager & Back-End Developer (Freelance)   Oct 2021 - Present

- Led a 4-person team to develop a construction tracking web application, utilizing Kanban, VueJS, NodeJS, Express, and phpMyAdmin. The application streamlines project oversight by offering tracking, optimized staff allocation (pinpointing the nearest assessment staff in the area), and automated reporting. This website has demonstrably reduced manual workload by 25%

Bangkok Commercial Asset Management Public CO., LTD.   Bangkok, Thailand
Project Manager & Software Engineer (Internship)   Dec 2023 – May 2024

- Led a 5-person team to develop an asset gallery website, utilizing Scrum, ReactJS, NextJS, NestJS, and MySQL, to deliver a user-friendly platform for browsing and exploring renovated assets. Expecting a 5% increase in purchase rates.
- Gather user requirements, planning, and executing, and resources associated with the projects.
- Develop a detailed project plan to track progress and allocate the resources appropriately.
- Set deadlines, assign responsibilities, and monitor and summarize the project's progress.
- Ensure all projects are delivered on time, within scope, and budget.
- Created API services for both website and CMS

LEADERSHIP AND AWARDS
